

Department of Sociology Admission Test

The department of Sociology will have a 50 marks multiple choice analytical/conceptual question pattern.

Total time for finishing the paper would be 1 hour.

Each candidate will have to answer 25 questions each carrying 2 marks. There will be 4 choices for each question from which the candidate has to choose the most appropriate answer according to her or him.

The paper would be a mix of a few passages and questions related to those passages and a few direct questions.

Students without any prior academic training in Sociology will have no problem in answering the paper. Questions will be conceptual, analytical based on general social awareness and reasoning capabilities.
